v.

Nadya Suleman a/k/a octomom,
Defendants

[Preliminary Injunction, Temporary Restraining order
TRO]

Comes now, Jonathan Lee Riches d/b/a Umar Farouk AbdulmutallaB a/k/a Bernard Madoff, moves this honorable court to Issue a Restraining order Against Stefani Germanotta a/k/a Lady Gaga and Nadya Suleman a/k/a octomom because I face imminent danger and bodily harm from them, they want to kill me because I know secrets on them that has never been revealed to the world and I plan to write a tell all book called:

"Switches, I'm Jonathan Lee Riches", I will tell the truth, the whole truth, and nothing but the truth Against the Defendants illegal Acts of manipulation, deceit, cunning, lip singing, abortions, etc. I met Defendant Stefani Germanotta in July 2002 at a poker table at MGM casino in Las Vegas. I was in town attending Defcon's annual Black Hat Hacker convention where I gave a public demonstration on how to commit identity fraud, computer Hacking, Phishing, and spamming, where I received \$52,000 at a Kroger Grocery Store Western Union. I then spent my money lavishly around Las Vegas, I was at a Poker table where Stefani Germanotta sat next to me and asked "Excuse me, are those Bugle Boy Jeans you wearing?" I did not respond then Germanotta told me she knew me from being a Internet celebrity all over Google and wikipedia. Google "Jonathan Lee Riches". she said she heard about me having the Guinness Book of world records for suing the most people in the history of mankind and then she asked for my Autograph on her Breast. I said "Look Lady, can't you see I got a Poker Face, I'm trying to concentrate" she then said "Poker Face, I'm going to use that in a song of mine one day". I was practicing playing Poker so I could enter the world series of poker each year, the

Year before I texted her to tell her I had money from each of the dixie
chicks to enter, but I lost because I had a hernia and I could not concentrate,
so this time I had my "Poker Face" game look on and Defendant
Germanotta kept distracting me and harassing me, she said I smelled so
Good with Calvin Klein, she also sexually fondled me under the Poker table
which ruined my royal flush, then I was drinking Red Bull and
Germanotta slipped me the Date Rape Pill and Ecstasy and before I
Knew it I was passed out, I woke up 4 hours later at the Penthouse
Suite at Trumps casino in Bed with Defendant Germanotta and her
Best friend Defendant Nadya Suleman, I was used, Abused, and sexually
Assaulted and insulted by Both of them, Defendant Suleman forced me to
get her pregnant while Germanotta filmed it with a camcorder, Now the
Defendants Both have been distributing this material online, on Youtube,
and in Adult Book stores, In Early 2003 Germanotta forced me to do
Identity theft and credit card for her at gun point to pay for all her current
wardrobes and outfits she is currently wearing on TOUR, I used fidelity
combs stolen citibank credit card to get Germanotta Breast implants, her
hair extensions, DJ equipment, Lipo around her tummy, and for her Bull bladder
surgery totaling \$126,000. I then was forced at Gun Point by Germanotta
to Rob banks using fake IDs and credit cards to pay for her best friend
Defendant Nadya Suleman's 8 baby cribs, pampers, stinky's, Gerber baby food.
This was also filmed, I was featured in a CNN Documentary Titled CNN presents:
"how to Rob a bank", this can be viewed online, If you watch close you can see
Germanotta pointing a gun at my head, I had no choice, now I'm doing 125 months
in prison because of the Defendants, on top of that, after I got Suleman Pregnant,
She then gave my baby Boy Maddox away to Angelina Julie and Brett Pitt to
Adopt, this was theft of my child, I did not Authorize this and I compel this court
to order my son back to me or at least give me visitation rights, I have Evidence on
the Defendants including their DNA, Prison love letters from both of them, Defendant
Germanotta has been sending me thousands of dollars on my Prison trust Account if
I sue her music Rivals like: Riches v. Timberlake, Riches v. Combs, Riches v. Ludacris,
Riches v. Jay-Z, Riches v. Lil Wayne, to put them in Debt and embarrass them. I'm
now coming clean, I want out of this conspiracy, I just want to get my life back on
track without doing crimes for the Defendants, they continue to stalk me and are
doing everything possible to stop me from whistle blowing in my tell All book. Lady Gaga
is not compensating me for giving her the Idea of "Poker Face", Defendants, Please leave
me be, when I get out of prison I plan to live low key and operate a Ice cream
truck somewhere in north Dakota, I move for a restraining order to stop this

harassment case 03-10-0074. Those documents filed 03/20/10 I get page 3 of bumps when I see them in tabloids, and get Anxiety Attacks when Lady Gaga sings on the radio, this is disturbing my sentence. I also move this court to compel the FBI to do a investigation on crimes the Defendants previously did with me because they are both co-defendants of mine that never been indicted. Check out my criminal case from the Southern District of Texas, case # H-03-40-2 and I have a Eating disorder now because of the stress inflicted on me by the Defendants. Look at my Picture on the lawsuit Riches v. Hurricane Ike at the end of it has me flexing without a shirt on. I need help and I pray this court will grant my motion for relief.

respectfully
